ESTABLISHED - 1964

Welcome and thank you for choosing The Education Center School. We are looking forward to the 2025 – 2026 school year and our 62nd year of educating students.

Fully accredited, The Education Center School offers year-round school terms with additional summer school programs. Students can enroll at any time of the year and benefit from our academic program, which is characterized by a personalized approach to students' specific needs and learning styles.

Our qualified and experienced faculty and staff provide a traditional, challenging, and differentiated curriculum for all students. This approach encourages students to use their academic strengths, enhances emotional well-being, and emphasizes personal development.

Parents, teachers, counselors, physicians, and others create partnerships that support each student's educational experience. Whether in a conventional classroom setting or in our online classes, we celebrate each student's individuality and broad range of interests and teach them to embrace the unique qualities within themselves and others.

You are invited to be a part of our school family and experience firsthand the commitment and dedication that are hallmarks of our program. We would be honored to work with you and your child.

If you or your child's current counselor or principal have questions or need additional information about our academic program or other services we offer, please call us at 601-982-2812. We encourage you to see our campus by arranging a time to visit with an administrator or counselor and tour our school.

Attached is our enrollment packet for your convenience. I look forward to speaking with you soon.

Sincerely,

Lynn T. Macon
